Oakmont, PA 15139

Dear Lee and PLF team,

Thank you so much for your incredible support of our mission, students, and teachers through 2023's School Supplies for Kids initiative! Your time, planning efforts, and volunteers made it possible for more than 2,000 local students to receive their own, individual school supply kits to successfully launch the '23-24' school year.

With your help, our goal this year is to distribute over \$10 million of free supplies and resources to help under-resourced schools throughout Southwestern PA. That is a lot of pencils, paper, notebooks, and glue. But we also provide teachers and students with much more than the basic school supplies, like furniture, technology, health and hygiene items, clothing, toys, cleaning supplies, classroom curriculum, and STEAM materials. We aim to make our schools healthy, happy, and safe places. Ensuring learning will happen and students will be successful.

Without your support, we could not distribute these school supplies and resources. On behalf of The Education Partnership's 69,000 students and nearly 10,000 teachers: Thank you for helping achieve our mission!

With sincere gratitude for your partnership,

Josh Whiteside
Executive Director

The Education Partnership is a 501(c)(3) Pennsylvania nonprofit organization that receives tax-deductible contributions of both funds and products. No goods or services of value were or will be transferred to you in connection with this donation. Please keep this written acknowledgement of your donation for your tax records.
